#### **TEMPORARY CAMPUS CLOSING WEATHER**

To provide continued services to students, it is Zenith's policy that all schools remain open according to their regular hours of operation. However, certain situations, such as holidays, special events, inclement weather, and emergencies, may arise that necessitate the temporary closure of a Zenith campus. In the event it becomes necessary for a location to temporarily close students will be notified using a notification software/system. Zenith will communicate site closures, delayed start, and early close. Campus leadership may also send notices about special events and other general reach out messages to communicate with students. The system will send notice via landline, cell phone—audio and text, and email. All students are required to keep their contact information current in CampusVue at all times in order to be reached with these important messages. The Campus Director reserves the right to schedule make up hours and/or assignments for hours missed due to any school closures. The students will be notified of these make up hours and be required to attend or be marked absent.

- **ADDENDUM:** This language has been removed from the catalog.

#### **WEATHER EMERGENCIES**

In the event of inclement weather the school will notify students via the website [flashalert.org](http://flashalert.org). Students will need to check the website or any television station for the status of school closures or delays. If no delay or closure is posted, school will be held and on time. The Campus Director reserves the right to schedule make up hours and/or assignments for hours missed due to school closures during inclement weather. The students will be notified of these make up hours and be required to attend or be marked absent.

- **ADDENDUM:** This language has been added to the Pharmacy Technician program outline section in the catalog.
